EACH CHILD IS AN INDIVIDUAL OF GREAT WORTH

4/20/22

To Whom it May Concern:

I have known Michaela her entire life and can personally attest to her accomplishments and achievements over the years. Michaela is an exceptional young lady with many valuable qualities. One specific quality that stands out is her desire and commitment to making a difference in the lives of others. Michaela is one of those young adults that you meet every so often and right away you know she will be successful. She is confident, motivated and exhibits strong leadership qualities. In high school she was a member of her varsity soccer and field hockey teams where she excelled as a solid student-athlete. As a member of her sport teams she gained valuable skills such as working with others, striving to overcome shortcomings, understanding how to become a winner and persevering when challenges arise. This young lady is also aware that the world is bigger than just her immediate environment. Evidence of this comes in her decision to study abroad in Italy in 2018. Michaela also regularly participates in community service events. She has given countless hours to the I Love a Clean San Diego Campaign, The Quin Murphy Foundation and even ventured to the Dominican Republic to be part of a service learning trip. She is committed to making the world a better place and I am confident this will continue for the rest of her life.

Besides being a valuable member of society, she is also improving herself. Graduating from Chico State with a Bachelor of Science in Exercise Physiology and then attending Santa Ana College and participating in the OTA program, Michaela continues to strive for excellence. In addition, she currently holds the position of Historian for the Occupational Therapy Club at her school.

I feel certain that you will be just as impressed with Michaela as I am. I highly recommend her for any position you may have available to her, as I am confident she will be an excellent addition to your team. If I can provide any additional information for you please don't hesitate to contact me at 619 508-0432 or Jorge.mora@cvesd.org.

Respectfully,
